F GSD	Studio Reviews Wed. April 28–Tuesday, May 4 Final Exams Wednesday, May 5–Monday, May 10 Thesis Reviews Tuesday, May 11–Friday, May 14																			

- **Friday, May 28, 2021 at noon** — MIT M.Arch Grades Meeting including awards decisions. M.Arch studio instructors, M.Arch required class instructors and M.Arch advisors expected to attend.
- June 1 at noon is the final grade deadline for classes with an Institute scheduled final exam.
- MIT Commencement Friday, June 4, 2020

- A. The Department will schedule graduate studio reviews during the final week of classes. Undergraduate studio reviews will be scheduled by the Institute during final exam week. The Institute final exam week schedule is published by the Institute the third week of the term.
- B. Workshop reviews fall during class time either before the penultimate week OR are scheduled through the Institute as a final presentation/exam during final exam week.
- C. SMArchS, M.Arch, SMBT, BSAD thesis presentations are held on the Friday of "reading period."
- D. Required MArch subjects (not including studio) may schedule a final exam/presentation during final exam week through the Institute. They may not require a final test, presentation or assignment in the penultimate or final weeks. Free elective Course 4 subjects that have MArch students enrolled follow Institute rules below, but instructors and advisors are asked to work directly with M.Arch students to adjust work schedules and credit load to avoid conflict with studio review preparations.
- E. Institute term regulations dictate that presentations, papers, and/or quizzes must be held or due by the last class unless a final exam is scheduled. Subjects that schedule a final exam during final exam week may have no assignments fall due after the end of the penultimate week.
 - o *No subject may require a class meeting, exercises or assignments of any kind after the last regularly scheduled class in a subject.*
 - o *An extension may be given to an individual student if requested, but blanket extensions may not be given to the entire class.*
- F. GSD final studio reviews, final exams and thesis reviews are not coordinated with MIT's schedule. They are listed only FYI.

Grades for ALL subjects (including thesis preparation subjects, independent study projects, UROPs, etc.) that DO NOT have an Institute scheduled final exam are due on the Monday of final exam week. All grades for classes with final exams are due by noon on the Tuesday after Memorial Day. The M.Arch grades meeting will take place on **Friday, May 28, 2021 at 12 PM**
